Dear Sir:

We beg to submit the following quotations for binding copies of pamphlet "The International Metric Diamond". It will be impossible for us to put a back stamp on this as the book is too thin, but have figured on a side stamp, similar in size to the one appearing on the Geology of the Hudson River and its Relation to Bridges and Tunnels.

We quote as follows:

In lots of 100, 16 cents per copy.  
In lots of 200, 15½ cents per copy.  
In lots of 300, 15 cents per copy.

This book to be bound in the same grade of cloth and the same style as the Geology of the Hudson River, etc.

We quote you as follows for a book containing 150 pages, with back and side stamps, similar to the above-mentioned book:

In lots of 500, 17 cents per copy,  
In lots of 1000, 16½ cents per copy.

Hoping these figures will meet with your approval we are,

Very truly yours,
